SOAP Bible Study

The SOAP Bible study method is a simple but powerful way to engage with Scripture. It helps you reflect on the Bible and apply it to your life in a structured way. Here's what SOAP stands for:

SCRIPTURE

Write out a verse or passage that stands out to you. This can be one verse or a few. Try to write it word-for-word to slow down and pay attention.

Example:

"Trust in the Lord with all your heart and lean not on your own understanding." – Proverbs 3:5

OBSERVATION

Note what you see in the passage. What is happening? Who is speaking? What stands out? Is there repetition, a command, a promise, or a warning?

Example:

This verse encourages complete trust in God, not relying on personal judgment. It implies that our own understanding can be flawed.

APPLICATION

Ask, "How does this apply to my life right now?" Be personal. How can you live out this verse today or this week?

Example:

I often try to figure things out on my own. I need to practice praying before making decisions and trust that God is guiding me.

PRAYER

Write or say a prayer based on what you learned. Ask God to help you apply it and thank Him for His Word.

Example:

Lord, help me to trust You completely and not rely on my own wisdom. Remind me that You see the bigger picture. Amen.
